ITEM NO. 51

Balheary Flooding Solutions

Question: Councillor D. Mulligan

“To ask the Chief Executive to look at any possible solutions to the flooding issues in Balheary during heavy rainfall or subsequently the viability of road resurfacing and drainage works in this year’s Budget?”

Reply:

The 2020 Programme of Works was agreed at the February ACM. There are no plans to upgrade the drainage at this location or resurfacing of the road in the 2020 Programme of Works. Upgrading of the drainage system will be considered in future Programmes of Works subject to funding and available resources. In the short term the area has been listed for regular drainage clearing.
