[Services A – Operational Matters]

ITEM NO. 52

Electric Charger Suppliers

Question: Councillor D. Mulligan

“To ask the Chief Executive how the Council proposes to make it easier for electric car users to use the different Electric Charger Suppliers in Swords (ESB and EasyGO [Lidl]) – which requires different cards to operate both of these chargers as more suppliers come online there will need to be a universal card or fob that works all chargers?”

Reply:

Fingal County Council has no role in this matter. The two charging providers named are private operators and operate their infrastructure independently.
